

AGREEMENT TO REPORT INFECTION

(To be completed by all staff preparing, handling or serving food or working in food areas)

I agree to report via email to the General Manager or Director at High Society, richard.critchlow@high-society.co.uk or Fergus@high-society.co.uk as soon as possible, in any of the following circumstances:

1. Should I suffer from any illness involving any of the following conditions:
 - Vomiting
 - Diarrhoea
 - Septic skin lesions (boils, infected cuts, etc., however small)
 - Discharge from ear, eye, nose or any other site;
2. Before returning to work following any illness with the above conditions.
3. If any of my household is suffering from diarrhoea and/or vomiting.
4. After returning from a holiday during which I suffered from diarrhoea and/or vomiting.
5. After returning from holiday during which any member of my party had an attack of vomiting and/or diarrhoea.

Before returning to work

- I am aware that I must remain off work for at least **48 hours after** any symptoms of diarrhea and vomiting have stopped
- I will not return to work unless I have discussed this with my Manager and they have confirmed they are happy for me to return
- I will visit my doctor before returning, if requested to do so by my Manager

I have read, signed and understand my responsibilities as contained in the agreement to report infection". I confirm that I have had none of the symptoms listed above **in the last 48 hours**. I agree to abide by the company standards contained in the food safety policy.
